

UNIQUE SELLING POINT OF THE CSR DIALOGUE FORUM

✓ NGO CONSULTATIVE STATUS AT THE UNITED NATIONS

The CSR Dialogue Forum is accredited and is awaiting the result of a procedure for being granted the consultative status at the United Nations and listed by the United Nations and, among other things, also by the World Bank and the EBRD (European Bank for Construction and Development).

✓ INTERNATIONAL NETWORK

The CSR Dialogue Forum acts on an international scale and is incorporated into an international network of experts from many different areas. Quality assurance of the Accos^{22®} Quality Seal is enabled by a scientific Steering Committee, which is made up of an international group of representatives of trade and industry, banks and science.

✓ STRATEGIC ALLIANCE PARTNER QUALITY AUSTRIA TRAINING, CERTIFICATION AND EVALUATION LTD.

The CSR Dialogue Forum cooperates with the strategic Alliance Partner Quality Austria and Quality Austria International with its 48 partner and member organisations as a Certification Body recognized worldwide.

Thanks to Regional Managements, separate offices and exclusive licence partners, Quality Austria is represented in Eastern, South-Eastern and Southern Europe, North Africa, Asia and South and Central America, competent contact persons even being available at the site.

Thus the CSR Dialogue Forum is, as a partner of Quality Austria, also represented worldwide thanks to the cooperation in connection with the Access of Partner of Partner of Quality Austria, also represented worldwide thanks to the cooperation in connection with the Access of Partner of Quality Seal for Excellence in Sustainability and Corporate Responsibility.

Thanks to this, the Dialogue Forum can avail of more 145 assessors and CSR experts and can thus guarantee service quality at top level.

✓ CSR DIALOGUE FORUM AS A COMMUNITY RELATIONS MANAGER

The CSR Dialogue Forum is active on an international scale. Upon coordination with its special partner organisations, it can be called a Community Relations Manager in international business and thus create value for organisations.
